Hi Jen,

I would be good to go thru Tom’s comments with you.

Jean,

Attached is the spreadsheet I edited during Tuesday’s call that now includes Tom’s notes.

Tom’s comments are in column L. I spoke with him yesterday and he had some thoughts about keeping some wells in and taking others out. I added those comments to column M.

We should probably walk through this together. I’m not sure the direction here will be clear. I have a call in a few minutes but will touch base after that.

Jen,

Just checking to confirm that you haven't sent me anything yet to revise on the New Cassel PDI work plan?

Sometimes emails get blocked by LM.

Thanks,

Jean
